Re: Freedom of Information Act Request No. 080492703

Dear Mr. Shelden:

This letter is in response to your recent Freedom of Information request for information from the Illinois Health Facilities Planning Board.

Unfortunately, you were erroneously sent a letter indicating that your request had been denied. A denial only applies when we have the requested information, but will not release it because the information falls within one of the exemptions outlined in the Freedom of Information Act. I have discussed your request with Kyle Kingsley of the Division of Legal Services and he indicated that they could not find the information you had requested. Therefore, you should have received a letter indicating that staff searched the files and could not find the information you requested. I regret the miscommunication over your request.

If I may be of any further assistance to you, please write to me at 535 W. Jefferson St., Springfield, IL 62761; or telephone me at 217-558-3403, TTY (hearing impaired use only) 800-547-0466.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff W. Johnson", with a long horizontal flourish extending to the right.
